COMMISSION OF INQUIRY

MONTARA WELL HEAD PLATFORM UNCONTROLLED HYDROCARBON RELEASE

Call for Submissions

The Commission of inquiry is seeking submissions from interested parties in response to the Terms of Reference, either as a whole or with respect to specific items, which deal with the following broad issues:

- the likely cause(s) of the incident;
- the regulatory regime (including safety, environment and resource management), including the adequacy of monitoring and enforcement;
- the adequacy of the response;
- environmental impacts and whether any further measures are warranted; and
- provision and accessibility of information to stakeholders and the public.

Submissions should be lodged no later than **22 December 2009**.

Information about the Inquiry, including the Terms of Reference and an issues paper to assist in the preparation of submissions, is available from the Commission of inquiry's website at www.montarainquiry.gov.au, or by calling (02) 6213 7777.
