COMMISSION OF INQUIRY

MONTARA WELLHEAD PLATFORM UNCONTROLLED HYDROCARBON RELEASE

PRACTICE NOTE 2

HEARING ADMINISTRATION

Use of documents at the hearing

1. In amplification of paragraph 19 of Practice Note 1, all parties that propose to tender a document(s) or question a witness by reference to a document(s), must identify that document(s) to the Inquiry in sufficient time prior to such use of the document(s) in order to enable the Inquiry to incorporate that document(s) into its document management system, including ascribing the document(s) a unique document identification number(s). Ordinarily this will require the provision of the document(s) no less than 24 hours prior to intended use.

Variations of practices

2. The Inquiry reserves the right at any time to vary the above practice directions.
